- **Only Cadets selected for Active Duty will be considered for selection in one of the options.**
- **Participating Cadets will sign a contract addendum.**
- **Requesting to participate does not guarantee selection. Those not selected will have their contract addendum voided.**

Additional ROE for Branch for Service Option

- **This option is only offered before the DA Selection and Branching Board convenes.**
- **Those Cadets selected for Branch for Service may volunteer to participate in the branch detail program.**
- **Branch detail volunteers will be accepted as currently practiced.**

Additional ROE for Post for Service Option

- **This option will be offered after the DA Selection and Branching Board. Cadets may participate if not participating in the Branch for Service option.**
- **Selection depends on branch designation and availability date.**
- **If more Cadets volunteer than the available location allocations, USACC will use the Active Duty OML to determine who will participate in this option.**

Additional ROE for Grad School for Service Option

- **This option will be offered after the DA Selection and Branching Board.**
- **Open to all DMGs and to all 3 and 4 year scholarship Cadets selected for Active Duty and not participating in the Branch for Service option.**
